SUBJECT: GENERAL— REDSOX/Support

SPECIFIC— Location of Cavatina Files

1. SR/Reports has expressed interest in locating or determining the disposition of certain photo copies of reports obtained from SB OUN files (Cavatina) covering such topics as railroads and the MGB. The reports appear to have been obtained from CIC but there is no indication that they have ever been exploited.

2. Headquarters has listed the following documents as perhaps containing leads to the nature and location of this material:

DI-55 Jul 50 — MGMA-3842
UNCL — 51 — MGSA-1976
CGAI-033 Jul 51 — MGSA-2941
MGKA-26095

WILL CHECK.

None of these documents are in the MGB Registry. It is requested that the Frankfurt Registry be checked to determine if any of the listed documents are on hand there. In the event that they can be located, CSGB would appreciate copies of these documents soonest.

3. It is requested that this dispatch be shown to my REDSOX personnel who were formerly at Karlsruhe and who might have some information on the location of the Cavatina files.
